Dear Friends:

We are all so grateful for your gift of \$574.00 to the Make-A-Wish Foundation® of Metro New York and Western New York. Your support has helped give a child the chance to dream big, and see that dream come true.

For Khadija, whose wish was to have a perfect prom experience, a wish was more than a limo ride, a photo shoot and the dress of her dreams - it meant daring to hope. In her own words:

*"Make-A-Wish really did wonders for me – they helped me in a way I didn't believe was possible. They truly made my wish come true. They let me see that I should never give up, and to always have hope!"*

Thank you for being part of Khadija's community and giving her and so many more children with life-threatening medical conditions the gifts of hope, strength and joy. To see other magical wishes we've granted this year please visit [metrony.wish.org](http://metrony.wish.org).

It means so much to us, and to our wish children and families, that we can count on you.

Best wishes,
