

Students and teachers put on their finest fashion-wear at the event.

CPHS Students Walk Runway To Raise Funds for Charity

The Carle Place Key Club held their 3rd annual Fashion Show for Charity on April 8 to raise funds for the Hempstead Boys and Girls Club. Carle Place students and teachers walked the runway wearing formal attire, semi-formal attire, casual spring wear and fun attire. Estelle's Dressy Dresses, The Men's Wearhouse and the Mineola Kiwanis Seat sponsored the event.

The event raised a total of \$860, which will be donated to the Hempstead Boys and Girls Club. The Key Club members feel very passionate about donating to this organization since they

have been volunteering with the children of the Hempstead Boys and Girls Club over the course of the past two years.

The mission of the Carle Place School District is to provide an educational environment in which all students can achieve success and become productive citizens. The Board of Education and administration of the Carle Place Schools believe that strong connections between school and community are extremely important to the success of the students.
