

A Scouting tradition, the Klondike

Though there was little snow on the

tying, first aid, map and compass skills

anticipated sled race.

Helping Their Community

Carle Place High School Key Club members recently volunteered at the Mary Brennan INN, a fully functioning soup kitchen that relies on donations and provides other resources including clothing and toiletries to those in need. The group sorted winter coats and various donations as part of the effort. The Key Club also volunteered at

the Hicksville Boys and Girls Club, a safe place where students can go after school to be social and receive mentoring and tutoring services. Club members led academic games, arts and crafts and athletic activities with middle school students.

Stepping Up At St. Brigid/Our Lady Of Hope

The students at St. Brigid/Our Lady of Hope Regional School had a fun time at Step Up Day, an event that took place during Catholic Schools Week. All the students got to visit the grade above them and

spend time with the teachers they may have next year. The teachers planned terrific lessons, and the eighth-graders did a wonderful job helping the students in the younger grades.
