

## BATTLE OF THE CLASSES

On March 1, 2019 Carle Place High School hosted its annual:

### Battle of the Classes, Battling for a Cause

This event raises funds each year for a charity selected by the Key Club and Student Government.

Nominated by Carle Place students and LI TA Youth Ambassadors Steven and Victoria Argenzio, Long Island Tourette Association was chosen as this year's funds recipient!

The battle was long and fierce, spirits were high, and the warriors left everything on the battlefield!

By the end of the night the results came in: the phenomenal Carle Place High School student body raised over \$25,000 for the Long Island Tourette Association!!!

The LITA appreciates the Carle Place students and is immensely grateful for all the heart, hard work and effort they put into the battle! Thank you all!
